• IBCCES is the largest independent credentialing and continuing education organization with a focus in special needs and human services. We are the accrediting body for the Certified Autism Specialist (CAS) and the Autism Certificate (AC) programs. Our certification programs recognize professionals in the field of Autism who have met predetermined standards in their training, experience and performance. CAS and AC professionals live and work in the U.S. and around the world. Visit www.IBCCES.org for more information.
